Disclaimer:

This word bank is optional to use. The vocabulary selected are suggested words to represent the cartoons. However, users may interpret these cartoons differently based on their experience and background.

We have carefully studied the Rohingya diaspora and made an effort to document this unwritten language as best we can in ways that the Rohingya people will understand. With this fluidity of language comes differences in opinion on vocabulary. If you have feedback on the terms used in our materials, please connect with us directly. We would love to hear more of your thoughts.
