to the food stamp office or to DPS.

9

Razar buř dedde ere duidilla torika ase.

Elections for president have two parts.

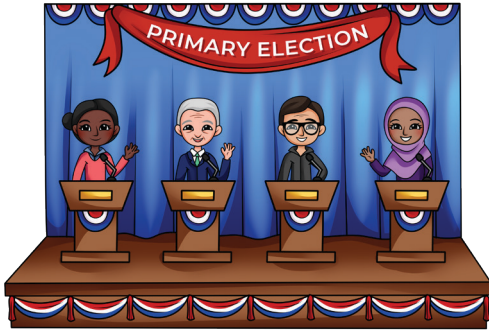

10

**Foillar buř oiyede primary
election. Yian odde buř
dedde bosoror adadi made.**

The first is the primary election.
This happens in the first half of
election year.

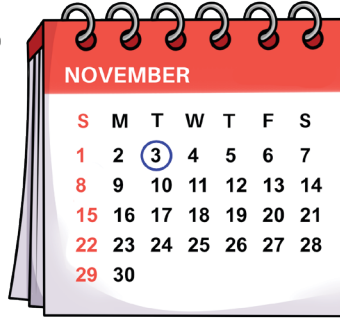

11

Primary electione decore modot gore basi loo hone ummitwar bonibo de haar netar parti made modot goriballa.

The primary election helps the country choose who will be the candidate for each political party.

12

General electione hamicca odde Novemberor 3 tarika buř dedde bosorot. Yian oiyede ze taimot āara baside raza.

The general election usually happens on November 3rd during election year. This is when we choose the president.

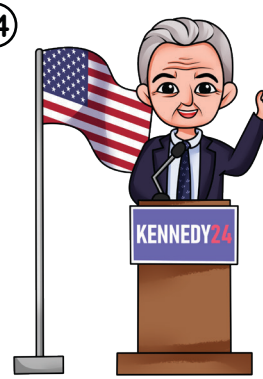

13

Amerikanot dua kimti neta parti ase. Yiannor nam oiyede yiannor Democratic Party loi Republican Party.

America has two main political parties. These are called the Democratic Party and the Republican Party.

14

Amerikanot yo asede ummitwar okkolore ze maince raza boniballa saito sar toi hitara netor parti made hoode independentor ummitwar.

America also has candidates who run for president and are not in a political party. These are called independent candidates.

15

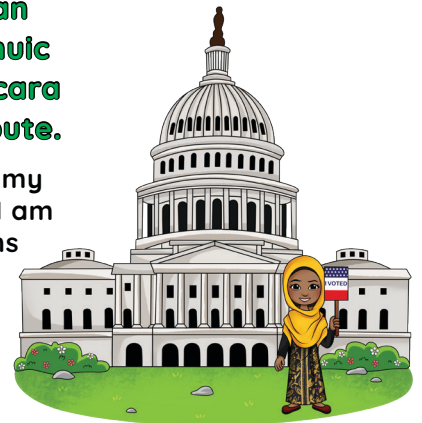

Buřor dinnot made, āi ID loi buřor rejistar kař loi buř dedde zagat zai.

On election day, I take my ID and my voter registration card to the voting center.

16

Ummitwar basi loonnan ār hok amerikanor manuic isafe. Toi āi azad ār mocara diballa hokumotor baabute.

Choosing my candidate is my right as an American, and I am free to share my opinions about my government.

17
